- Supervisor let residents know he would be driving Public Works Director Steve Sanders around the Resort, the Estates and Gisela on the 12th to view drainage issues.

Resident Questions and Concerns

- A resident asked if Supervisor would investigate providing a roll-off to the area for a clean-up day. Supervisor and the residents decided that January would be the best month to get a roll-off brought in.
- A resident asked what was going to be done about people speeding on Stagecoach? The resident stated he had seen a vehicle going 68 mph down Stagecoach. Supervisor referred the question to Sgt. Don Engler who responded that residents should call in if they see someone speeding and get a picture or a license plate number if they can.
- A resident asked if there had been any progress on the drainage plan for Roosevelt. Supervisor responded that the plan is currently being reviewed by an engineering firm.

Sgt. Don Engler / Gila County Sheriff's Department

- Sgt. Engler let residents know that the best way to assist deputies in catching people speeding is to pay attention to the type of vehicle, time of day the speeding occurs and any other pattern that would help deputies locate the individual.
- Sgt. Engler let residents know the Posse had assisted the Sheriff's Department on the recent holiday weekend and that their help made a big impact.
- Sgt. Engler stated that deputies had spent 28.5 hours on the water doing assists, giving citations and ensuring public safety.

Kelly Jardine – USFS

- Kelly let residents know USGF has installed artificial fish habitats at both Windy Hill and Cholla. He said that the fish are using them.
- Kelly stated that the lake level is currently 40%
- Kelly is working with Gila County Sherriff's Department to do the annual "Fishing with an Attitude" event for 7th graders.
